

Press release

SEFE Marketing & Trading Limited (SM&T) is once again an active member of the European Federation of Energy Traders (EFET).

[Berlin 24.10.2022] Another strong signal to the market of SM&T's return as a major player in the European energy industry. The Board of Directors of the European Federation of Energy Traders (EFET) has reinstated SEFE Marketing & Trading's membership of the federation with immediate effect.

This means that SM&T is once again a member of the most important European industry association for energy trading companies and can participate in all EFET activities. This reinstatement further strengthens confidence in SEFE Group and its prominent role in securing energy for Europe, now and in the future.

Dr Egbert Laege, Managing Director of SEFE, said: "We very much welcome this important and positive decision. It is a strong signal to our customers and counterparties that SEFE is a trusted and resilient partner with a continued focus on delivering energy and value."
